Brand New Book ***** Print on Demand *****.Excerpt from Railway and Land Taxation: Shewing the Origin, Progress, Law, Operation, and Statistics of the Poor and Other Rates, and Their Injustice and Impolicy With Reference to Railways, With a Digest of All the Legal Decisions, and a Glance at the Local Rates and General Taxation of Railwa The Writer having occasion to consider the subject of rates upon railways, being forcibly struck with their oppressive nature, feeling that the subject in its various bearings was too abstruse to be comprehended to its full extent without much research, and having been advised to pursue it, and having kept it before the public during several months, now presents the accompanying hastily written chapters in a connected form, and in the single hope that they may contribute to a more extensive knowledge of this subject, and its injustice, and be useful to the Companies in the future discussions which the subject will force upon the Executive and the Legislature. The Writer has only aimed at a matter-of-fact summary; those who know him also know that he has no personal interest in the subject, that he has pursued it from a strong conviction of its injustice, and as being the most grievous to private enterprise that has come under his observation during eighteen years experience of public matters.
