Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

READY-TO-USE ART NOUVEAU INITIALS

Dover Publications Inc., United States, 2003. Paperback. Book Condition: New. 272 x 203 mm. Language: English . Brand New Book. Characterized by long leafy tendrils, lush florals and graceful female figures, the culvilinear designs by Art Nouveau are especially well-suited to graphic arts, as revealed in this encyclopedic archive of over 900 copyright-free, ornamented letters. Selected by Carol Belanger Grafton from authentic turn-of-the-century sources, these ready-to-use initials are rendered in an astonishing array of sizes and styles: entwined in lush thickets of flowers and leafy vines; ensconced in elaborate interlacings; adorned by stylized birds, insects and animals; amid urban and rural scenes; embellished by heads and figures of men, women and children, and in many other attention-getting formats. Designers in need of imaginative initials reflecting the style, ambiance and flair of Art Nouveau will find this splendid treasury indispensable for enhancing advertisements, newsletters, brochures, programs - almost any graphic project.
