Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Thomas Dunne Books. Hardcover. Book Condition: New. Hardcover. 384 pages. Dimensions: 9.2in. x 6.1in. x 1.2in. THE NATIONAL BESTSELLER! Bienvenue Paris! When April Vogts boss tells her about an apartment in the ninth arrondissement that has been discovered after being shuttered for the past seventy years, the Sothebys continental furniture specialist does not hear the words dust or rats or decrepit. She hears Paris. She hears escape. Once in France, April quickly learns the apartment is not merely some rich hoarders repository. Beneath the cobwebs and stale perfumed air is a goldmine, and not because of the actual gold (or painted ostrich eggs or mounted rhinoceros horns or bronze bathtub). First, theres a portrait by one of the masters of the Belle Epoque, Giovanni Boldini. And then there are letters and journals written by the very woman in the painting, Marthe deFlorian. These documents reveal that she was more than a renowned courtesan with enviable décolletage. Suddenly Aprils quest is no longer about the bureaux plats and Louis-style armchairs that will fetch millions at auction. Its about discovering the story behind this charismatic woman. Its about discovering two women, actually. With the help of a salty (and annoyingly sexy) Parisian solicitor and the courtesans private diaries, April tries to uncover the many secrets buried in the apartment. As she digs into Marthes life, April cant help but take a deeper look into her own. Having left behind in the States a cheating husband, a family crisis about to erupt, and a career shes been using as the crutch to simply get by, she feels compelled to sort out her own life too. When the things she left bubbling back home begin to boil over, and Parisian delicacies beyond flaky ptisseries tempt her better judgment, April knows that both she and Marthe deserve happy finales. Whether accompanied...
