

Nursing Student Retention Understanding the Process and Making a Difference, Second Edition

By Marianne R. Jeffreys Edd Rn

Springer Publishing Company. Paperback. Book Condition: New. Paperback. 376 pages. Dimensions: 8.9in. x 5.9in. x 0.9in. This is the only book to offer an evidence-based model for retaining students and ensuring success across the nursing education spectrum. It is designed to assist faculty in creating, implementing, and evaluating student retention and academic success strategies. This model, Nursing Undergraduate Retention and Success (NURS), can be used effectively with all kinds of nursing programs, both traditional and nontraditional, including diploma, ADN, RN-BS, and accelerated BS. The book features the Nursing Student Retention Toolkit, an easy-to-use digital toolkit for assessment and planning that is thoroughly cross-referenced and integrated into the text. Together, these complementary resources offer a wide selection of educational activities and support strategies for diverse learners and settings. The text provides guidelines for maximizing educational strengths, identifying and assessing at-risk students, facilitating student retention, and revitalizing teaching methods. It examines the multidimensional factors that must be considered, including cultural values and beliefs, and describes proven strategies for promoting retention and academic success such as faculty advisement, promoting professional events and membership, peer partnerships, and enrichment programs. Nursing Student Retention, with its breadth of information and one-of-a-kind digital toolkit, will be of great...
