SPCK Publishing. Paperback. Book Condition: new. BRAND NEW, War Cries: Military Prayers from Barracks to Battlefield, Mark Davidson, War Cries is the first ever collection of prayers which reflects the faith experiences of Christians within a military context. It comprises 225 formal and informal prayers (from the Army, Navy and RAF, from civilian sources and other nations) which are presented in 7 chapters, each of which exposes a different aspect of military life. The prayers appear in a way that mirrors the military experience, beginning with the act of 'joining-up' and ending with post-conflict reflection. This structuring helps the reader join the recruits - in mind and heart - at the beginning of their military journey, to experience the frustration of training, the boredom of life at sea, the formality of the parade ground, the horrors of battle, the traumatic aftermath of war, and ultimately the desire for a meaningful peace. The collection also includes prayers of service families during times of conflict. Compiled by a serving military chaplain. Not intended to glorify military service, deify the dead, or sanitise the horrors of war, but rather to reveal something of the realities of Christian military service. Will help clergy who have had little exposure to military life to provide homilies and prayers for Remembrance Sunday (8 November in 2015) and other civic occasions.
