## ISLAMOPHOBIA: THE IDEOLOGICAL CAMPAIGN AGAINST MUSLIMS

Clarity Press. Paperback. Book Condition: new. BRAND NEW, Islamophobia: The Ideological Campaign Against Muslims, Stephen Sheehi, Mumia Abu-Jamal, Ward Churchill, In this title, Sheehi examines the rise of anti-Muslim and anti-Arab sentiments in the West following the end of the Cold War through GW Bush's War on Terror to the Age of Obama. He investigates the increased mainstreaming of Muslim-baiting rhetoric and explicitly racist legislation, police surveillance, witch-trials and discriminatory policies towards Muslims. The book focuses on the various genres and modalities of Islamophobia from the works of academics to the commentary by mainstream journalists, to campaigns by political hacks and special interest groups. Featured are Bernard Lewis, Fareed Zakaria, Thomas Friedman, David Horowitz, Ayaan Hirsi Ali, Irshad Manji, George W. Bush, Dick Cheney, John McCain, Hilary Clinton and Barack Obama. Sheehi contends that their theories and opinions operate on an assumption that Muslims, particularly Arab Muslims, suffer from particular cultural lacuna that prevent their cultures from progress, democracy and human rights. While the assertion originated in the colonial era, Sheehi demonstrates that it was refurbished as a viable explanation for Muslim resistance to economic and cultural globalization during the Clinton era. Moreover, the theory was honed into the empirical basis for an interventionist foreign policy and propaganda campaign during the Bush regime and continues to underlie Barack Obama's new internationalism. If the assertions of media pundits and such academics became the basis for White House foreign policy, Sheehi also demonstrates how they were translated into a sustained domestic policy of racial profiling and Muslim-baiting by US agencies from Homeland Security to the Department of Justice. Furthermore, Sheehi examines the collusion between non-governmental agencies, activist groups and lobbies and US local, state and federal agencies to in suppressing political speech on US campuses critical of racial profiling, US foreign policy...
