"Robert Dunbar has been called one of the "saviors of contemporary dark fiction" and an "avatar of literary horror." Martyrs & Monsters runs the gamut of this extraordinary author's narrative range, embracing vampires and sea serpents, werewolves and swamp creatures . . . as well as a host of nightmares for which no names exist. Whether set on an orbiting space station or within a haunted tenement, these terrifying tales are steeped in a passionate intensity that renders them all but unique within the genre, and all boast a sophistication that qualifies them as that rarest of rare commodities: horror for intelligent adults.
