THE BEAUTY OF A DIAMOND THROUGH THE EYES OF A COACH

Createspace, United States, 2012. Paperback. Book Condition: New. Tara Gouck (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Beauty of a Diamond, Through the Eyes of a Coach should be required reading for parents of young athletes as well as coaches, especially those just entering the profession. As the book notes, the ideals of positivity, ethical choices, and mutual respect are often cast aside in the desire to win at all costs. It articulately reminds readers of the many life lessons inherent in the game of baseball. Through anecdotes about his parents and others in his life, Dan Clouser personalizes the narrative, sharing firsthand family and vocational experiences that will no doubt resonate with readers, especially those with a link to sports. In addition, he emphasizes the importance of volunteerism, and the personal satisfaction that he has derived from helping others with no expectation of a return for his efforts. The Beauty of a Diamond not only outlines Clouser s personal coaching career (warts and all), he provides inspiration and motivation for readers regardless of their professions or personal lives. The theme of legacy-the ways in which we influence and touch others lives-suggests that we can all experience some degree of immortality through mentorship; the knowledge we share will be shared by those we mentor. Among these memories, Clouser recounts his mother s indifference and his own astonishment...
