But when Alex has a chance to save her brother and capture the Weres who held him hostage disaster happens. Im a sucker for anything to do with magic and the unique twists that include that magic. Alex caught my attention from the first sentence. Mae Pen at Romancing the Genres Alex rocks. Like seriously rocks. . . . Shes got a hell of an attitude, and comes out with some pretty witty quips. Leigh K Hunt at Parchment Place I was able to dive right into this book, and it kept me wanting to read it till late at night, it is that good.
