Sixth in the Bay Tanner Mystery Series Bishops Reach--its waters are calm, beautiful, and deadly. Karen Zwilling swears shes been viciously attacked but cant--or wont--go to the police. With the tragedy of her husbands murder finally resolved, Bay has been yearning for a little tranquility, but that hope is shattered, both by Karens plea for help and by the unexpected reappearance of aging playboy Win Hammond, scion of an old Beaufort family, who has been missing for more than twenty years. Why has the prodigal son chosen this moment to return, and what will the consequences be for his sister, Bays beloved Miss Addie Add to all this a suspected embezzlement by a local businessman and his questionable relationship with his partner, and suddenly Bay and her young associate, Erik Whiteside, find themselves hip-deep in cases and clients.
