HANDBOOK FOR WELFARE SUPERVISORS AND APPRENTICE MASTERS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Handbook for Welfare Supervisors and Apprentice Masters Note. - This handbook was originally prepared by the Welfare and Health Section of the Ministry of Munitions. The work of this Section has now been transferred to the Ministry of Labour. In view of the large demand for the information contained therein, the handbook is issued as originally prepared. Introduction. At the present time the number of welfare supervisors of boys, already engaged in factories, is large, and that number is steadily increasing. As a result many enquiries are addressed to the department by employers regarding the duties of such officers, and by the officers themselves seeking advice in connection with some part of their work. It has therefore been thought that a useful purpose would be served by the issue of a handbook containing a description of the objects and methods of welfare supervision, together with certain facts and information bearing on the subject. This handbook makes no pretence to deal exhaustively -with the question. It endeavours, on the one hand, to supply such information as experience shows is required; on the other hand, to offer suggestions on the method of attacking certain problems where solution can only be obtained by those who are in daily contact with the difficulties involved. Least of all does the handbook seek to stereotype the methods of welfare supervision. The subject is new, and much experimental and pioneer work is required before any useful attempt can be made towards the establishment of any highly organised system. The department enjoy certain advantages in the compilation of such a handbook. They have a staff of welfare officers stationed in various parts of...
