

How Your Government Spends Your Money: 2012 Edition

By Robert N Hager, Dr Robert N Hager

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Did you know that the spending per person by our government has doubled in the past forty years, and that takes inflation into account? By reading this booklet, you are going to learn some amazing and surprising information about where your government spends your money. This booklet is written for us, the taxpayer. It is nonpartisan. It uses clear and understandable words and colorful graphics to reveal the facts, and they are not confusing. You will be able to talk about budget issues with your federal representatives and from these conversations you will see how to act. Most things in our lives follow this pattern. We begin with understanding and end with committed actions. For example, you will learn that the Social Security Trust Fund is neither a fund nor a trust in the normally accepted definition of the words. We are often led to believe that our Social Security payroll tax money has been invested in trust and there is some asset that will be used to finance our retirement. However, some of our payroll tax money...
