Maybe you think your cat s too independent, too stubborn or too wild. Not so! In 50 Ways to Train Your Cat, author Sally Franklin s easy training methods keep feline instincts in mind. You can achieve wonderful results by working with your cat s nature rather than against it. At the same time you ll create a deeper bond with your cat through increased interaction and positive reinforcement. Among other things, your cat will learn to leave the curtains alone, climb up?and down!?a tree and get along with dogs. More precocious cats can try tricks like swimming and retrieving. Sally Franklin s methods proceed at a cat s own pace, and bring even the most difficult skills within your cat s reach. By spending just a few minutes each day, you ll make life with your cat easier, happier and more fulfilling.
