Brand New Book ***** Print on Demand *****.The Native American tribes of America existed 100 billion years ago, and Jesus created them all. There used to be a 100 million Native Americans from North America to South America before the Europeans exterminated them. The good news is that no one really ever dies, they are just transferred to heaven and exist there before the throne of the Lamb Jesus Christ. So all those Native Americans are alive and they will come back with Jesus at the Second Coming. Jesus also will give them some of their land back. But in this universe, Jesus has given the Western hemisphere of the universe, to the Native Americans and they will divide 10 billion galaxies among themselves. Jesus the Shepherd will herd His Native American sheep and one day there will be billions, trillions of them before this universe collapses. He is God and He will open the wombs of His sheep and increase them mightily. He is sorry...
