VIVO, THE MAGIC BEAR

Outskirts Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Vivo the Magic Bear is a story born from the desire to restore the hope to those who are sad and teach them how to rediscover their dreams and not to give them up again. I m one of the billions of fans of Michael Jackson. I wrote this book as a tribute in memory of the King of Pop and I dedicate it to his children and fans. I could say that is a message for all those who love Michael Jackson and want him close to their hearts. That s what I felt when I wrote this book; each paragraph came like a twinkle in my mind in the moment I was thinking about Michael. During the writing of the book, I felt I had to teach the children that each of us has the power to heal ourself and to accelerate healing. The magic of the little bear, Vivo, is supported in reality by the awakening power of self-suggestion, the purpose of healing being in its entirety. The person who will read or listen to the story will look at the little bear Vivo as a hero who can heal all wounds with his magic wing. In a world where it s all about money and power, here on the scene is a book that speaks to you about soul, life, and strength to move forward when you have a thousand reasons to quit. This book is about the friendship between two magical beings who live on an island, and the island is guarded by a good...
