

Software User Documentation A How To Guide for Project Staff

By Dr David Tuffley

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 154 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. **INTRODUCTION** Good manuals are a scarce commodity - expensive to produce, difficult to maintain, the province of experts. Not any more. With this new step-by-step guide you can produce successful manuals at a fraction of the normal cost. Software user Documentation: A How To Guide for Project Staff is a detailed reference guide to the preparation of effective user documentation for computer software applications. It is intended for people who wish to develop software user documentation. The format and arrangement of this manual reflects the principles outlined within it - it practices what it preaches. No prior knowledge or experience of user documentation writing is assumed. The manual is designed to equip a person with at least average written expression skills with a blueprint of how to prepare a software user manual. Provided the person is prepared to follow the instructions through to completion, the result will be an effective piece of documentation. It can be used by practicing user documenters and technical writers as a checklist...
