Ramsey Books. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 8.0in. x 5.0in. x 0.7in. Welcome to the New America! It is 2010. The country is ruled by the iron fist of the president turned dictator, John M. Forrest, known only by his middle initial. The Constitution has been suspended. Congress is now little more than a rubber-stamp for the Executive Branch, and martial law has been imposed from coast to coast. Fundamentalist Christianity and corporatism rule supreme: faith before reason. An unlikely group of heroes band together--Eileen Hunter, a lesbian and former soldier; Terry Khan, a Muslim boy; Archie Kane, a middle-aged, liberal school teacher; Jack JD Daniels, a computer hacker extraordinaire; his mother, Shirley Daisy Daniels, a colorful old hippie; and her friend, Sam Brown, a Native-American and Vietnam vet--to struggle for their very survival against the evil forces of sadistic Commander Hermann Gotthard; his side-kick, Captain Paul Johnson, of the NYC SSB (Special Services Branch) and Colonel James Davenport, Commandant of Camp Southern Fortress, a brutal concentration forced-labor camp in southern Texas. Their only crime is their mere existence. Their only hope is to make it north across the forty-ninth parallel into Canada, which is still a democracy. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
