Belief Tradition Significance: Stealthily Placed Randomly Spaced

By Robert Agnew Drake

Outskirts Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.GOOD and EVIL HIDING in the CORNERS of our MIND. . . Tradition mixed with belief makes a heady soup of certitude: one that comes from a place deep within us. This anthology hints at some of the subconscious beliefs and traditions that mold our behavior, and places them next to ideas of good and evil in everyday experience. That juxtaposition weaves a web of eccentricity and re-evaluation, giving us pause about the givens of our cultures and communities, and what makes us significant as individual beings. Once we have attained insight into the bias of our tribe, we are ready to progress towards the larger issues of our humanity and connection. This exercise is important in today's polarized societies across the world. Before the two World Wars we experienced an increase in nationalism. Now we are faced with a rise of intolerance, religion and tribalism. This book, along with its three predecessors, Mind Painting, The Space Between Us, and The Darker Side of Consciousness, attempts to bring the reader to a place of reconsideration and...
