The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

John Hodgman "This book should affirm Dave Hill's rightful place as a major American humor writer. You will laugh. Buy two and brighten a friend's life as well." Dick Cavett "I run into Dave Hill all the time at the...
