### **Reviews**

*It is a single of the most popular ebook. Better than ever, though I am quite late in start reading this one. You will not feel monotony at any moment of your own time (that's what catalogs are for about when you request me).*

Pearson Education (US), United States, 1996. Hardback. Book Condition: New. 8th Revised edition. 279 x 216 mm. Language: English . Brand New Book. Thirty-five years of organ teaching and years of research as a musicologist have made Gleason s guide one of the most reputable and well-documented of its kind on the market today, providing future organists with the musical and technical foundation necessary for mastering the fine art of organ playing. Reflecting the latest principles of techniques and interpretation, it offers clear, basic instruction, providing users with a solid foundation and practical start to a lifetime profession in organ playing. Supporting technical practice with important and applicable background musical information, it includes a new section An Outline of Study for the Beginning Organist which shows users how to use the book in the most efficient manner to achieve their particular career goal. Also available in Braille for use in schools for the blind. Ideal resource manual for organ faculty and those interested in a background study of organ playing.
