

A Brief History of Magna Carta: The Origins of Liberty from Runnymede to Washington (2nd Revised edition)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, A Brief History of Magna Carta: The Origins of Liberty from Runnymede to Washington (2nd Revised edition), Geoffrey Hindley, 2015 marks the 800th anniversary of the signing of Magna Carta, the influence of which is still felt today around the world. In 1215 the barons of England forced King John to sign a revolutionary document which would change the political landscape not only of thirteenth-century Britain, but of the modern world. Magna Carta was the forerunner of the constitution that limited the powers of the crown and its echoes can be found in the seventeenth-century Civil Wars, the struggles for American Independence, the work of Thomas Paine and in the bedrock constitutional legislation of just about every democratic country today. As civil Liberties and the rule of law are increasingly brought into question throughout the world, leading medieval historian Geoffrey Hindley breathes vivid life into the story behind the signing of Magna Carta, and reveals the undiminished significance of this ancient document in today's world.
